# *Our Dedication*

Kindness, inspiration, and understanding all make up the friendly guy whom we know as "Mr. Reed."

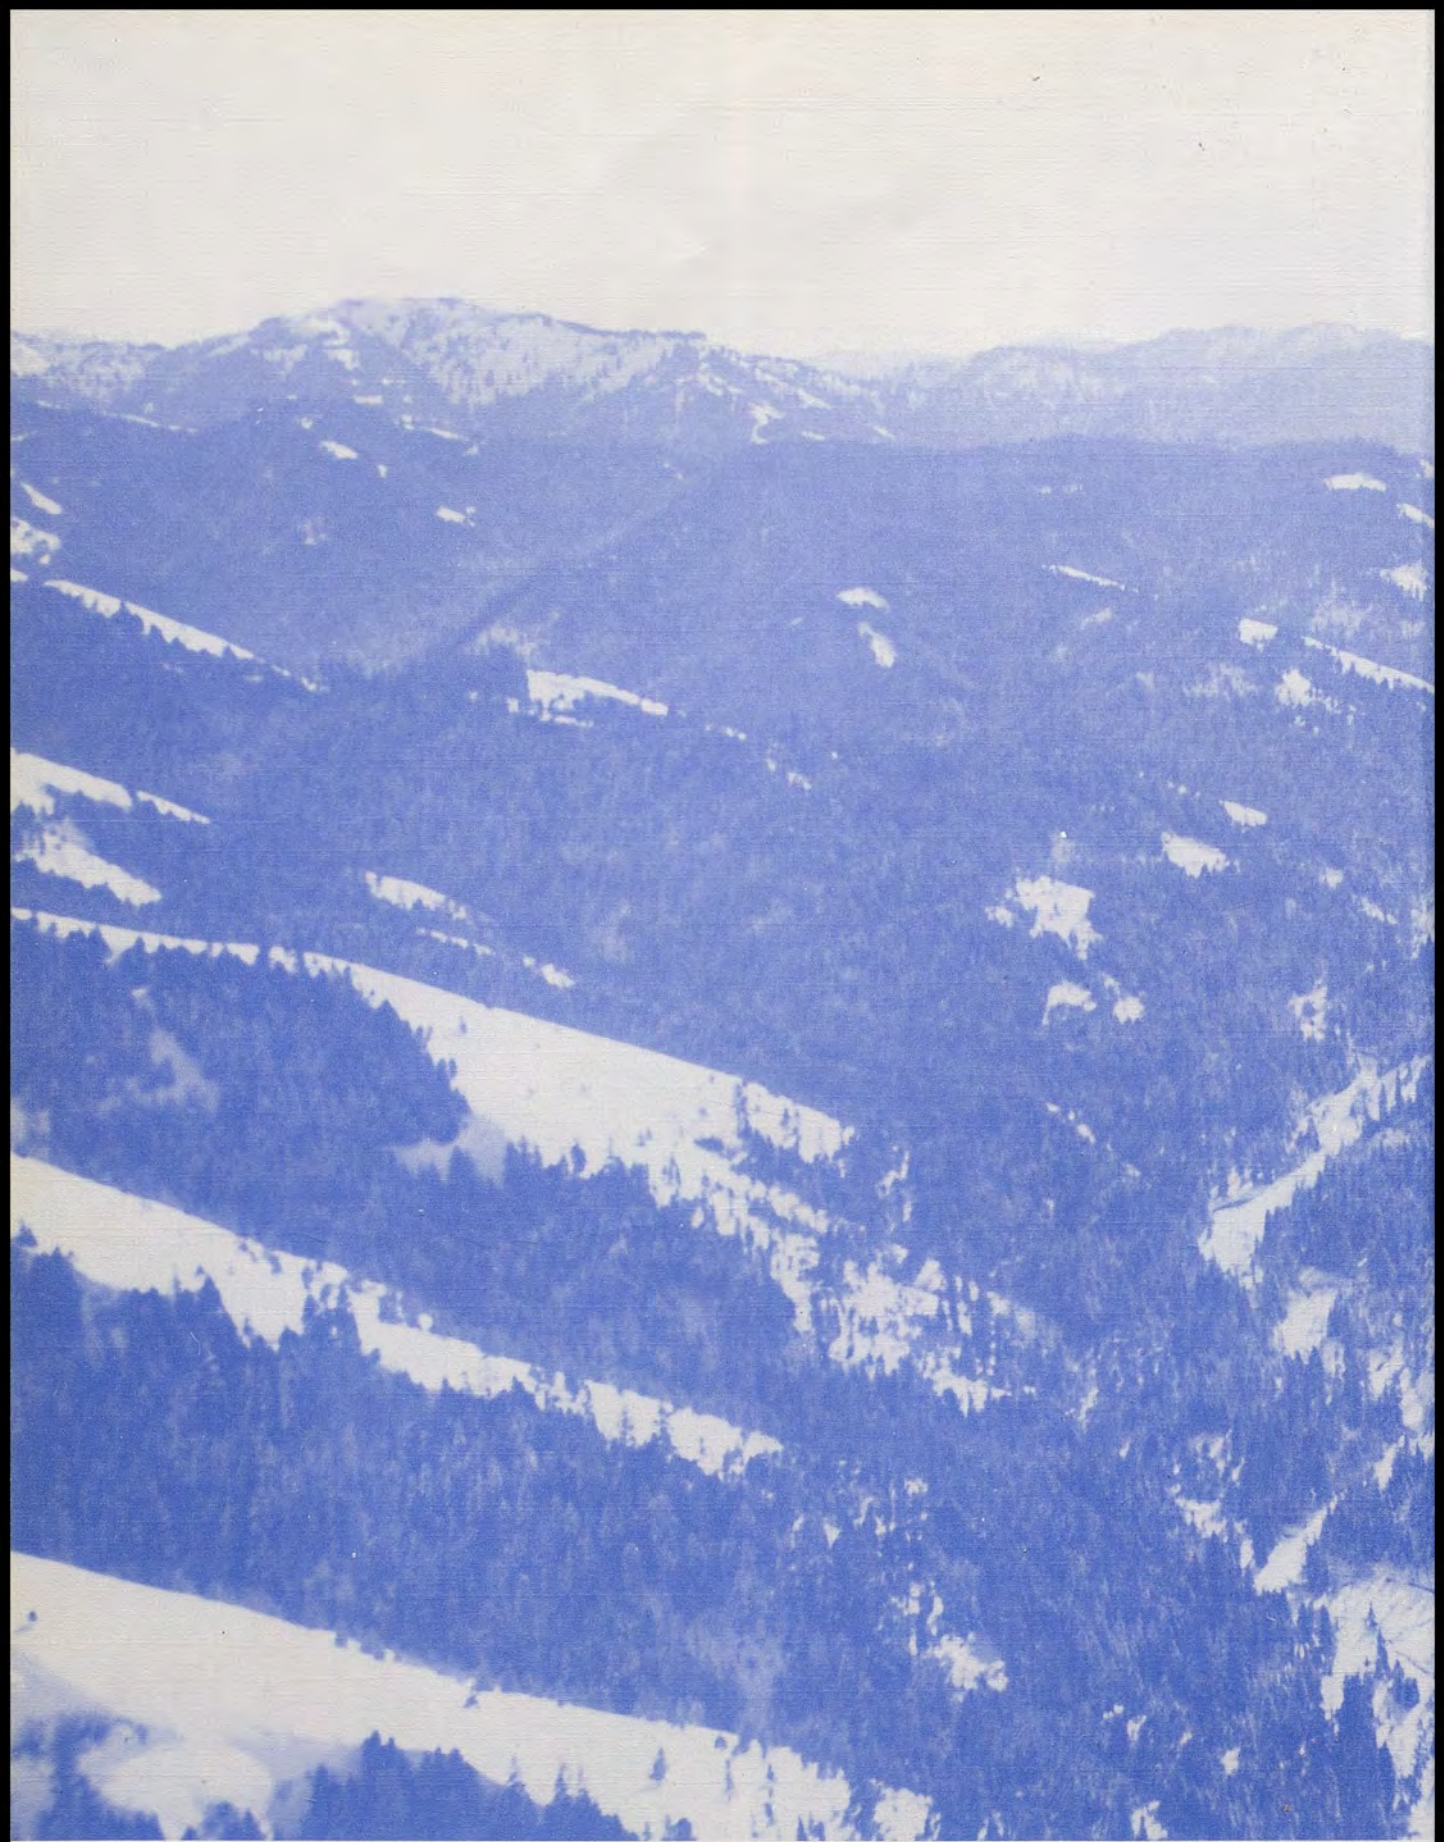

As a symbol of appreciation, we the students of Wa-Hi, dedicate to you upon your retirement, Paul M. Reed, our yearbook. As you turn its pages may they hold memories which will remain in your heart.

We wish you many happy years in the future and express our deepest gratitude for the service you have rendered toward the betterment of Walla Walla High School, as head of the science department, as Hi-Y and Science Club adviser, and as a friend to all the faculty and students since you first taught here in 1924. From the bottom of our hearts, Good Luck!

# FACULTY

*With the strength and inspiration the mountains offer,  
our faculty steadily raises our ambitions to mighty goals.*

It has been said that they liked the city of Walla Walla so well, they named it twice. It seems to me the same applies to the Walla Walla High School. Your school is a community within a community. Not only are you as students in the high school "learning to be good citizens," you are *being* citizens in your school government and in other student activities, and in your academic work as well. Your transition from your school community to your adult community will be the easier because of your participation and accomplishments in Wa-Hi.

To the graduating Seniors a sincere wish that you will be as proud of your community as you are of the Walla Walla High School.

ARTHUR D. JONES, *Supt. of Schools*

A high school is a community within a community. Moreover, it is usually the best little civic group to be found in the average city. Where will you find an organized group of twelve hundred people in Walla Walla, or any other city, in which there is a level of conduct as high, or less dirty work at the crossroads?

Cities are justly proud of their high schools. In them are found the vitality, aspirations and cleanness that too many of the elders have used up and thrown away.

The pride shown by you students in the good name of your school is most commendable. No one can beat down our schools if you keep your guard up. Good Luck!

W. A. LACEY, *Asst. Supt. of Schools*

The basis for school spirit is loyalty to one's school. Sometimes we are too much inclined to "rest on our laurels." Because Wa-Hi has been an outstanding school in the past is no reason that it will continue to be, unless each student and faculty member makes a continual effort. I am very much pleased with the business-like way school has progressed this year. It is encouraging to see the students take and handle responsibility in their student government. We are fortunate in having outstanding student leaders. Our activities have been highly successful and will give future students a goal to attain.

Congratulations to a fine Senior class, and may you have much success and happiness. To both students and faculty, whatever we do as a school, may we do it well.

ROBERT P. KLAVANO, *Principal*

Again the treat of the year is the "Royal Blue" with its record of the activities and events of 1951-52. Congratulations to the staff for a job well done.

Reminiscence of the school year recalls many pleasant and happy associations and memories of another successful term. The students are to be commended upon their growing interest in and assumption of more responsibility in handling their own government, the training ground for adult participation in our democratic way of life.

The achievements for the past nine months have been outstanding. Teamwork and co-operation of students and teachers have been the primary factors in these accomplishments. Best wishes for the future, Seniors. Keep up your fine work.

This year the student body government has succeeded in better acquainting the students with the fundamentals of the democratic government. Everyone has been given a chance to show his approval or disapproval of the methods of governing the associated student body through the organization of the "Key Club." The Legislative Assembly cut its membership to one representative from each homeroom in order to accomplish more business.

One important bill gave the Freshmen the right to be equally represented in student court. Student court has operated efficiently and has started the practice of penalizing offenders by giving them a punishment that will do something to help improve the school. Our government has operated on the democratic principle of everyone working together to make a more perfect whole.

The purpose of legislative assembly is to give the entire student body a chance to represent themselves in the proposition and enactment of all laws governing the student body. Immediate problems are taken through legislative assembly and are discussed in all homerooms by the representatives. This year legislative assembly, headed by the A.S.B. Vice President, Louis Clayson accomplished many things.

The student court, under the capable leadership of the Chief Justice, Ned Lange, accomplished much this year in the way of furthering student government. More than ever before the students became aware of the student court and its working, consequently resulting in eliminating of many problems and misunderstandings.

*Girls' Federation develops character, companionship, and confidence.*

To bring all girl students closer together, to solve problems, and make Wa-Hi a more friendly comfortable place to be, are the purposes of Girls' Federation. These ideas have been ably carried out under the leadership of the Girls' Fed. officers. Fed. Activities range from assemblies to frolics to teas to plays to potluck dinners.

The year began with the redecoration of the Girls' Lounge, begun during the '51 summer and continued through the year.

First on the agenda was the "get-acquainted" frolic to welcome all Frosh and transfers, co-sponsored by the Federations.

September's assembly—our first meeting—was a candle light installation ceremony for the new cabinet and our new Girls' Counselor, Mrs. Tom Esary who has counseled, encouraged, and understood us throughout the year.

In October, Girls' Fed. began an annual Halloween Party.

November: Armida Alexander wrote the religious theme script for a very successful Thanksgiving Assembly. Also in November a potluck dinner was held for all the new transfer students.

December: Janice McCowan put us in the Christmas spirit with her lovely assembly.

OFFICERS—President, Sally Maxon; Vice President, Phyllis Ackerman; Secretary, Wanda Moss; Treasurer, June Frank.

In February a wish bone pin ceremony was held and the new Junior class cabinet assistants were introduced.

At the beginning of the second semester many girls were found rushing around in order to present the annual Fed. play; this year "Elmer."

Delegates went to Tri-State Conference held in Milton April 4 and 5, where our scrapbook was entered. In a joint assembly Wa-Hi's representatives to Girls' State spoke and campaign speeches for Girls' Fed. presidency were given.

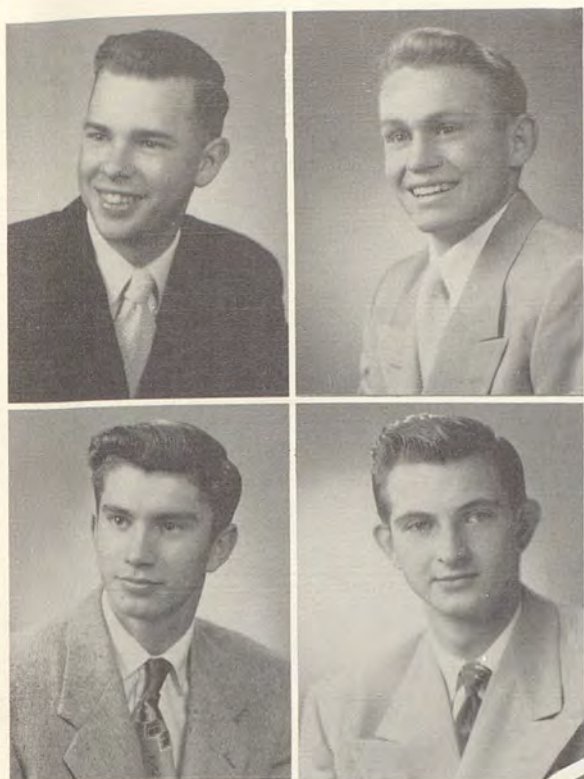

In April the Fed. and the Home Economics department presented the annual spring style show, and gave a tea for mothers afterwards.

Junior girls worked to make this year's Senior Tea a huge success.

In May, the installation of new officers was held and the old officers said goodbye to their high school and their—friends.

*Boys' Federation promotes friendship, fellowship, and fun.*

OFFICERS—Vice President, Dick Decker; Secretary-Treasurer, David Page; Intramurals, LeRoy Kelly; Corresponding Secretary, Orville Keihn.

PRESIDENT  
Harlow Tucker

As in the past, Mr. Ledbetter was Boys' Fed. Adviser. His task was to help students with their schedules and troubles. He also originated the idea of sending the letters to boys absent from school. In addition, he gave a helping hand to transfers by arranging their schedules and helping to get them acquainted with their new school.

The officers have led the boys to a closer friendship among themselves and a feeling of loyalty and respect to their school, really making it a "Boys' Federation."

The Boys' Federation turned in a very successful year under the able supervision of Mr. Ledbetter, Dean of Boys. The year got under way with a Freshman frolic which was presented by the Boys' and Girls' Federations. Wa-Hi's future Freshmen from the grade schools were welcomed in the spring by Boys' Federation. A guided tour was conducted and refreshments were served.

An assembly was held every month with many interesting programs featured including a movie and special program by the game department. The members of Boys' Federation also enjoyed a basketball game between the intramural all-stars and the faculty.

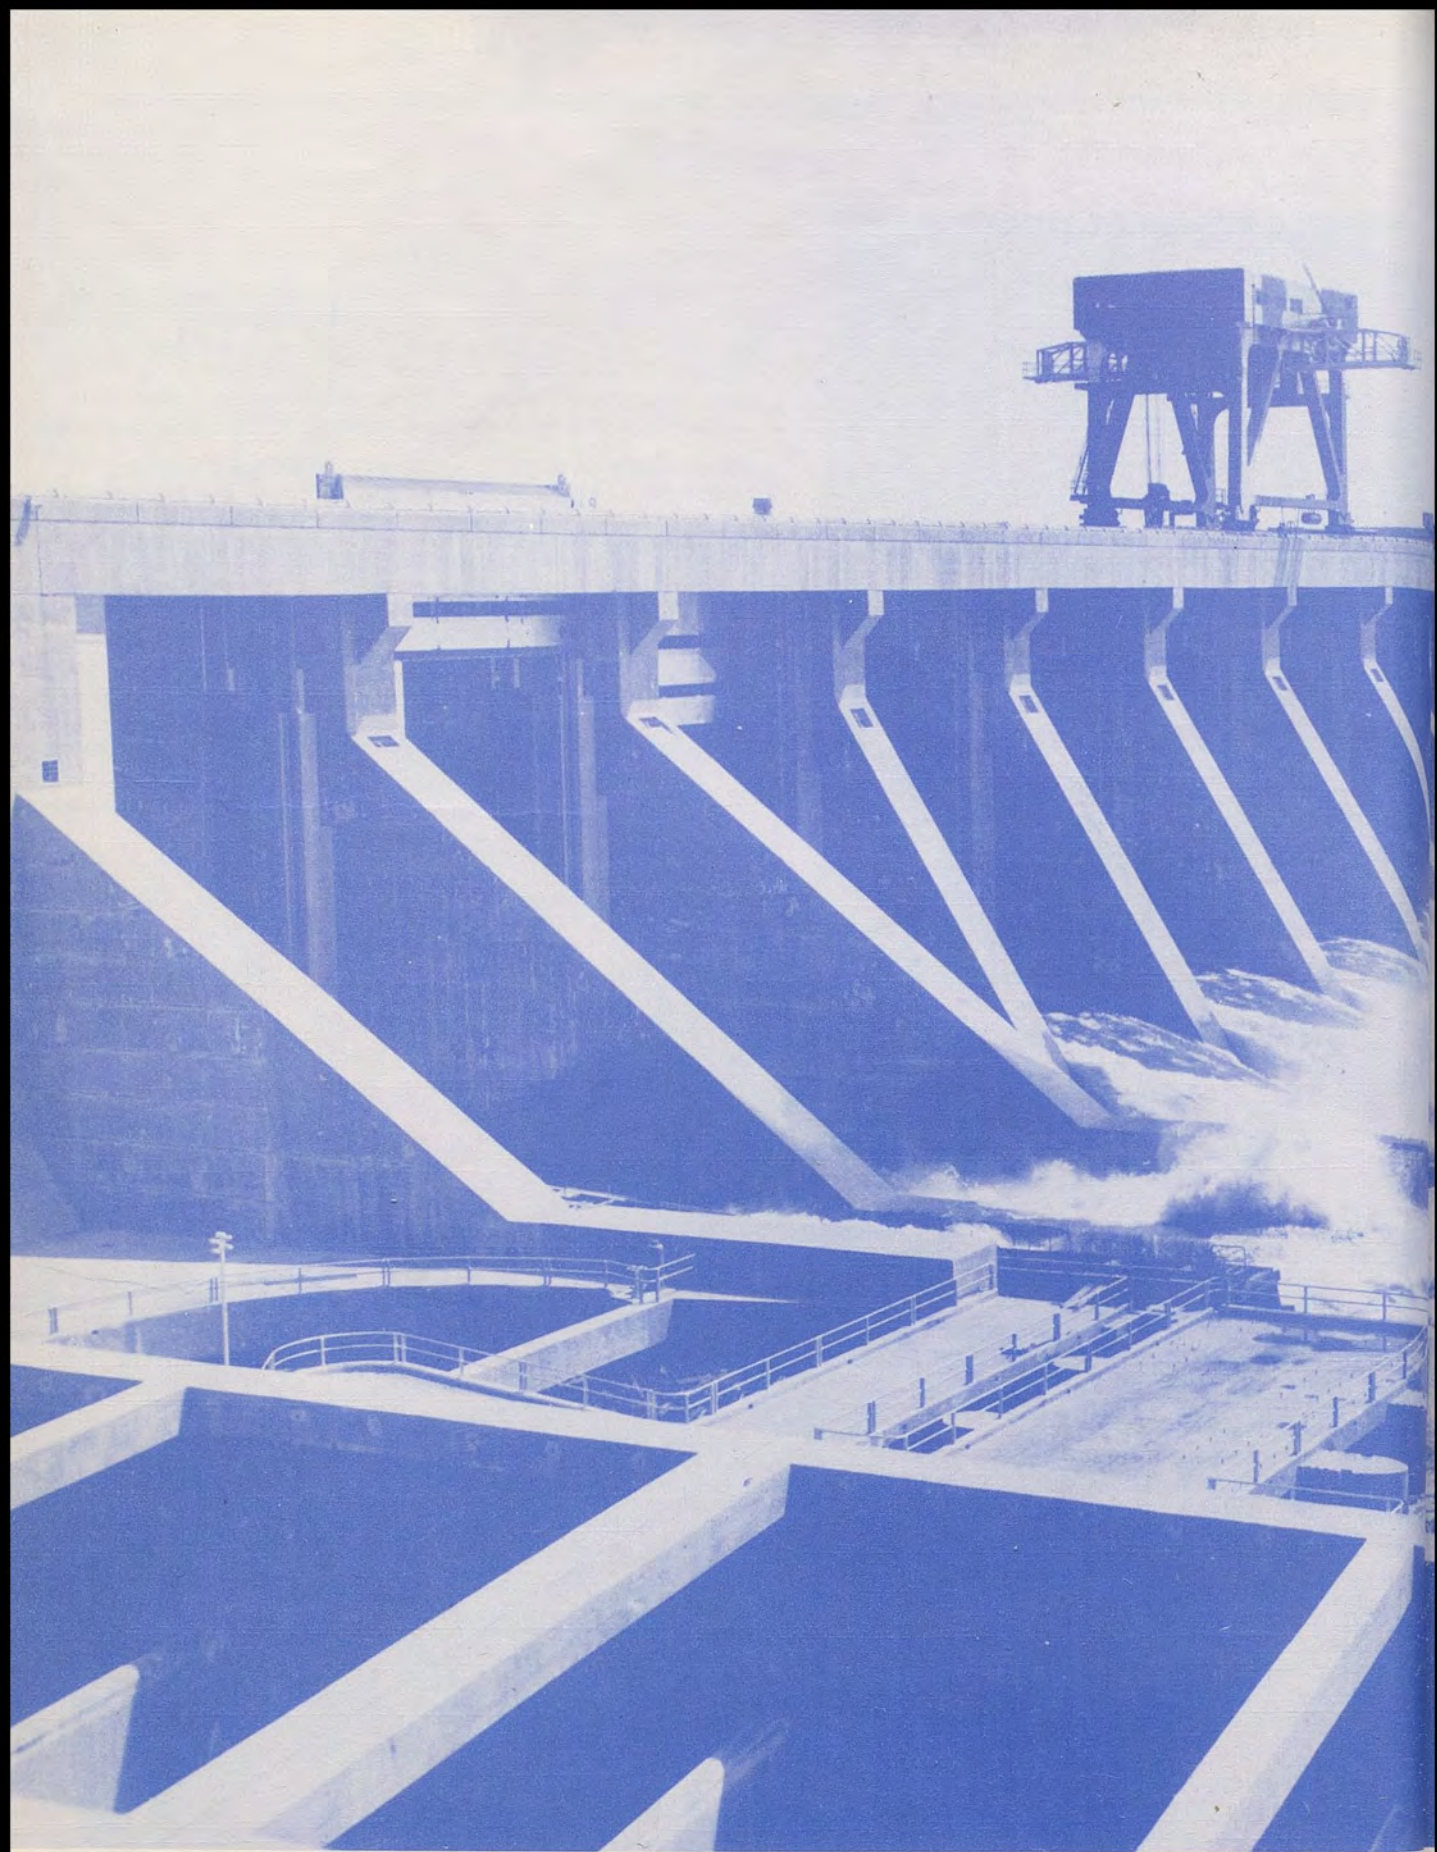

A special project this year was writing letters to boys absent from school with the purpose of encouraging them back to school. This was ably carried out by Orville Keihn.

The intramurals program was carried out by LeRoy Kelly. His duty was to care for the equipment, schedule the games to be played, publish the results, and determine the championship team. A trophy was awarded the winning team at the end of the school year.

# CLASSICS

*With the unceasing power of a mighty dam, the youth of our school treads the road to creation.*

May 29 found the class of "52" marching to the familiar strains of "Pomp and Circumstance" out to take their places in the world. They were proud of their class and sorry to leave their high school days behind, but eager to see what the future held.

Leading this year's class as first semester officers were: Chuck Stone, President; Karl Schwarz, Vice President; Ralph Stearns, Secretary; and Gladys McKinnon, Treasurer. For the second semester, Frank Kimball served as President; Richard Proctor as Vice President; Glenna Dunham as Secretary; and Bob Spearman as Treasurer.

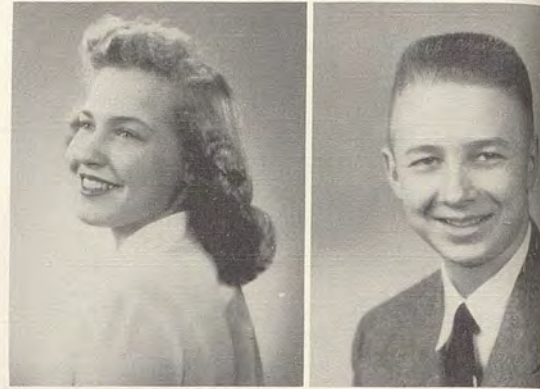

Senior class Representatives on the student court were Ned Lange, Chief Justice; Joan McClane, first semester; and Elsie Drumheller, second semester.

Sometimes activities take precedence over homework, but Emma Jean Barrett and Marlyn Plankenhorn, with 3.9 averages, kept the class scholastic record at the top of the books. In all, 40 members of the Senior class experienced the thrill of being tapped for National Honor Society.

OFFICERS—F. Kimball, R. Stearns, K. Schwarz, R. Proctor, B. Spearman, C. Stone, G. Dunham. Not pictured: G. McKinnon.

The annual Senior class play, "Call of the Banshee," was a huge financial success.

To round out a full year of activities, the Senior Ball, under the chairmanship of Jackie Wright, drew a large crowd; and the Senior Sneak, held in May was declared "the best ever."

# THE JUNIORS—

*proud of past achievements,  
ambitious for future opportunities*

The Junior Class has had many activities this year, in which they have proved themselves a well-rounded group and capable of carrying on next year as Seniors. Students elected to govern the class first semester were: John Knowles, President; Dave Klicker, Vice President; Greg Cowan, Secretary; and Dale Carlisle, Treasurer. Sharon Davenport and Ernestine Bicais were elected to Girls' Council and Nancy Brown to Girls' Cabinet.

The Juniors took an active part in student government, with Greg Cowan elected to Vice President of Legislative Assembly. Junior Justices for first semester Student Court were Marlene Hagen and Bob Brunton.

BUSY JUNIORS??

With most of the activities coming up in the second semester, the class elected new officers: Greg Cowan, President; Everett Beck, Vice President; Ernestine Bicais, Secretary; and Dave Klicker, Treasurer. Marilyn Yenny, Mary Roberts and Stania Lott were elected to Girls' Council and Cabinet respectively. Chosen to represent the class in the judicial branch were Pat Porter and Bob Allen.

With Mrs. Gallivan and Mr. Stoehr advising the class they started the year by making money. Second semester was the Junior Class assembly which required many hours of work, but was enjoyed by the audience.

Scholastically, the Juniors rate high, and fourteen of the top were chosen for National Honor Society.

In the music department the Juniors excelled, with a large part of the choir and several ensemble groups being third year classmen.

Many Juniors also participated in the Royal Blue and Journal staffs. In the two Federations, Juniors played a leading roll. The all school play and the operetta were produced with their aid.

Both girls and boys participated in sports; but the boys received more recognition; being prominent in football, basketball, boxing, track, and baseball.

With happy memories of a successful school year behind them, they now meet the future as Seniors of Walla Walla High.

# THE SOPHOMORES—

*carefree, cocky, confident characters*

The class of "54" with Mr. Bisnett and Mr. Cornelison as capable Sponsors, proved to the student body that they were definitely gong places. Wa-Hi is destined to hear much of them in the coming two years.

For the first semester the officers were: Wally Burdette, President; Bob Fouts, Vice President; Pearl Livengood, Secretary-Treasurer; Bob Hartwell and Kenny Trousdale as Boys' Cabinet Representatives; Mary Jane Milbrath as Girls' Cabinet Representative; and Annette Cote' and Elsie Filan as Representatives to the Girls' Council.

The students serving on the first semester Student Court were Chita Cousins and Dick Gohlman. Carolyn Reynolds and Scott Gruber served in these posts for the second semester.

At the end of the first semester there were 66 students on the honor roll, with 10 straight A students among them.

OFFICERS—D. Scholl, E. Filan, B. Fouts, B. Becker, P. Livengood. Not Pictured: W. Burdett.

Wally Burdette was elected to the yell squad for the first semester and Peggy Nessel was voted into flag swingers.

The Sophomore Girls' Ensemble contributed their share to the class by being sufficiently good that it appeared by request before several assemblies and numerous town organizations.

The class was represented in the drama department by Carolyn Reynolds, in the all school play; and Lea Steagmiller, in the Girls' Federation play.

Officers for the second semester were Bob Becker, President; Don Scholl, Vice President; Elsie Filan, Secretary-Treasurer; Eddie Epstein and Tommy Leonard were Boys' Cabinet members. Members of the business staff were Barbara Weathers and Shirley Eddy, Co-Chairman with Renee Ring and Elizabeth Brown helping.

The annual staff would like to express its appreciation to Miss Gray, our Adviser who has helped the staff over some of the hard places.

The annual staff sold 925 copies but this was not enough to meet the budget so for the first time in Wa-Hi's annual staff history advertisement was accepted from interested local merchants. In addition to this, mums were sold at Homecoming and, of course, the social season was not complete without the annual's Royal Blue Ball.

The first semester Journal Staff of 1951 and 1952 began its tenth year of daily publication in room 301½ otherwise known as the "hole in the wall." Miss McGovern, the Adviser, had her hands full most of the time helping the staff members out of tight spots.

The Editor-in-Chief of the "almighty scandle sheet" was Jeanette Jaussaud with Barbara Weathers acting as front page Editor and Janice McCowan, better known as "Spud," Editor of the back page. Buzz Sanderson was Sports Editor and he also had the job of cartoonist. Buzz was assisted by "ever-ready" Dale Carlisle. The seat of Business Manager was filled by Donna Young who had the biggest and most headaches of any other member of the staff. The "on the spot" Reporters were Ruthie Boicourt, Kathleen Wiley, Dale Carlisle, Gail Zachary, Elaine Bergevin, Margaret Brennan, "the poet," Phyllis Demory, Merilyn Yenney, and Lorraine Lubke.

The highlight of the year was a "dream come true" . . . we made history by having a picture in the Wa-Hi Daily Journal. The picture appeared in the Homecoming Journal and it was, of course, of the Homecoming Royalty.

February 22, several members of the Journal Staff traveled to Seattle to attend the Pacific Slope School Press Conference which was held on the University of Washington Campus.

Lots of the credit for the year's Journal goes to the mimeographing department under the supervision of Mrs. McDonald.

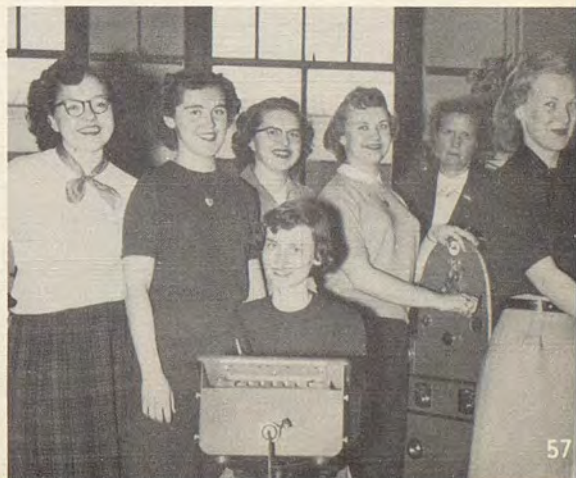

The same Editors carried on second semester but with new talent in the way of Reporters . . . Carol Hill, Gwen Rounsaville, Tom Easton, Betty Bradley, Janet Shemwell, Evelyn Zaro, Armida Alexander, Pat Beachman, Frances Blackman, Arny Barer, Joyce Berney, Sandra Ritchie, Jerry Young. Bill Plucker offered his help to sports writers during sixth period without credit.

## Our Band

The full schedule of the Wa-Hi Band made it one of the busiest organizations in school. It started with the Walla Walla County Fair before school opened in the fall and ended with special music for graduation exercises.

The band operates in a dual roll, a marching band and a symphonic concert band. As a marching unit of eighty-nine members it performed at military reviews, parades, and eight Wa-Hi football games and one Whitman College game. It also traveled to Richland and Spokane.

As a concert band, they presented two formal concerts, entered the band contest and made numerous other appearances. The Pep Band is a group of thirty-five students, selected from the concert band to play for basketball games.

The Walla Walla Chapter began the year by receiving the Master Chapter Award for being among the top chapters in the state. Then came the awarding of a plaque to the chapter for being the best in our district. Following this came the awarding of a "Gold Emblem" certificate for being one of the top two chapters of the state, then the plaque for the best chapter in the state. This award the chapter has won for two consecutive years.

This enabled the Walla Walla Chapter to enter the National Chapter Contest where the chapter ranked among the top twenty in the Nation. Receiving this award for the chapter were three boys from Walla Walla, Richard Owsley, Richard Deffenbaugh and Jerry Still, who attended the National Convention held in Kansas City, Missouri. Mr. J. W. Safford, who also attended the convention, received an Honorary American Farmer Degree.

Honors were won by thirty-five members exhibiting livestock, poultry, and crops at the South-eastern Washington Fair and the Spokane Junior Livestock Show.

During the past year, which includes the spring and fall of 1951, the F.F.A. Judging Teams which represented the chapter in the various

contests made an excellent record. They received either a first, second or third place banner in 18 contests out of 21 entered.

Besides farming activities, members of the chapter have the opportunity to participate in leadership training, such as public speaking, parliamentary procedure, scholarship, radio work and a great amount of committee work. For recreation during the winter months, numerous basketball games were played with neighboring chapters.

Again this year, the Walla Walla Chapter sponsored its annual F.F.A. Barn Dance with a large crowd in attendance. Miss Georgene Nelson was named F.F.A. Queen and Sweetheart for the year at this event.

During National F.F.A. Week, the chapter made an all out effort to familiarize the community with Future Farmer work. The chapter was well represented at the state convention. In December, Duane Drushella, Regional National Vice President visited the chapter and spoke at one of the meetings. Two state officers visited the chapter during the year and made excellent speeches.

All of the F.F.A. members are trying to carry out their purpose: "The farmer of tomorrow is the Future Farmer of today."

On the nights of November 29th and 30th, 2,000 of the best people in the world laughed, cried, and were scared stiff through two performances of the Senior class play, "Call of the Banshee". In spite of several faux pas and the need for ad libbing, the cast was well pleased with the show.

Some members of the cast can still hear old familiar phrases ringing in their ears, "Project!", "C'mon you kids, REACT!", "Play'er to the hilt!"

"The Call of the Banshee" will be remembered in the hearts of at least fifteen Seniors for a long time.

SENIOR  
Ann Patrick

This year the Shuffle Shop started out in the new Y.W.C.A. building with new equipment and enthusiasm which has carried it through a very successful year of social entertainment for teen-age members.

Many parties were held, a few to remember were the March of Dimes party which was called "Come Western." Shaion Forrey and Gene Mason won the prizes for the best costumes. Another gay party was the annual "Hobo Dance." Janet Mitchell and Buzz Sanderson were chosen Hobo King and Queen.

School organizations took turns taking care of the club. A plaque was given to the club who did the most for the Shuffle Shop during the school year.

Jim Kerr and his commissioners along with Mrs. Walker, Y.W.C.A. Adviser, did a wonderful job of running the Shuffle Shop this year.

DANCE BAND

The annual Royal Blue Ball was held the night semester tests were finished, January 18, thus prompting the theme, "Cell Break." A black and white false ceiling, a silhouette "band," and a black throne accented with white carried out the unusual idea.

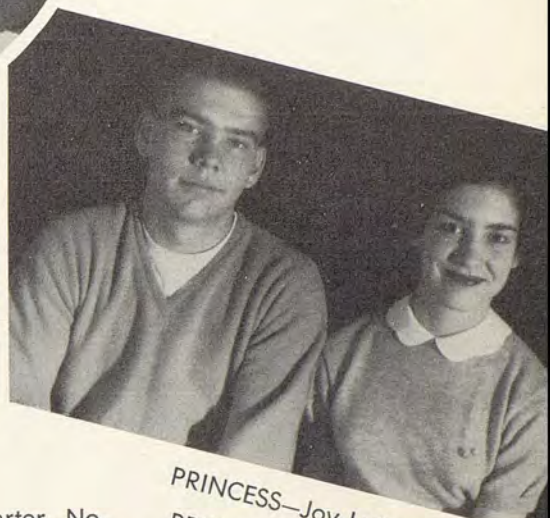

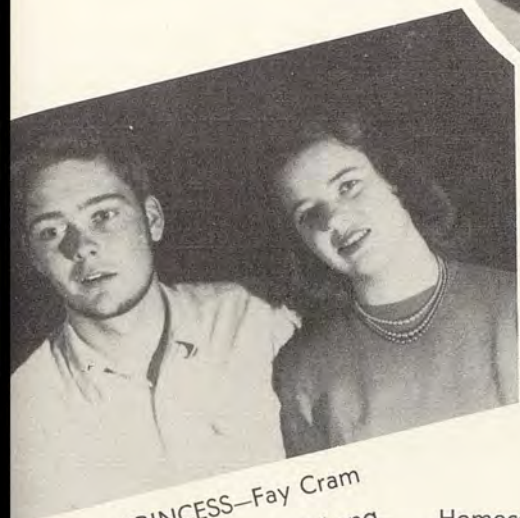

At intermission time Honey Roberge carried the Queen's pink carnation crown and Mickey McLean held the two white crowns for the princesses. Ruthie McLean, annual Editor, announced that Bea Hill had been chosen Queen by popular vote of the school, and that her court consisted of Jeannette Darling and Glenna Dunham. Larry Dodd, Jack Haase, and Neil Powers, respectively, were the proud escorts. This dance was one of the best the Royal Blue staff has ever given.

Homecoming and the end of the quarter, November 2, saw Wa-Hi in an unusual dither. A cabinet meeting with the Yakima Council and the customary pep assembly, given this year by Tethany, added to the hustle.

The high spot of the assembly was the introduction of the Queen and King, Nancygayl Welch and Dick Decker, and court, Joy Lutton and Bill Plucker, Fay Cram and Wilfred Long. The Royalty, from thrones on the floor, witnessed the judging of the Beard Growing Contest, sponsored by the Journal, and the shaving of grand winner, Roger Taylor, by a downtown barber.

A long line of colorful floats and cars participated in the parade held immediately after school. Winners of the float contest were: El Adrea, 1st; Gimmel Teth, 2nd; and Art Club 3rd. Legentes won the Jalopy prize.

That night at the game halftime, Hi-Y cheered on by Wa-Hi fans, burned the "W." To make a perfect homecoming, Wa-Hi was victorious over Yakima.

The Royalty reigned over the dance held on the following evening. The theme, "Frost on the Pumpkin," was carried out by silver spiderwebs and an orange pumpkin throne. When the evening ended, both alumni and students felt this homecoming had been one to remember with pleasure.

## F.F.A. Barn Dance

The Walla Walla Chapter of Future Farmers of America again sponsored its annual F.F.A. Barn Dance this year on November 16th. A western atmosphere was provided; feed sacks replaced the chairs: an old buggy, a turkey, and the band were in the corners with saddles hanging overhead. A large crowd was in attendance and square dancing mixed with ballroom dancing proved to be very popular.

During intermission the F.F.A. Queen and Sweetheart was crowned. The identity of the Queen had been kept a secret until the coronation festivities. At that time Georgene Nelson was named Queen and was presented with a crown that was a gold floral creation with "F.F.A." in blue.

Georgene's reign continues throughout the year for she will be a special guest of the chapter and honored at various F.F.A. functions.

Georgene drew numbers for the awarding of the door prizes to several lucky couples.

The dance was a big success and was enjoyed by everyone.

Coaches Felix Fletcher and John Klumb piloted the Walla Walla Blue Devils through another undefeated season in 1951. The members of the team elected Chuck Stone first string all state center, as their Captain. Later he was named the best high school center in the United States by Scholastic Magazine. Chuck is the second Wa-Hi boy to win this high honor in recent years. Ray Needham won the inspirational player award.

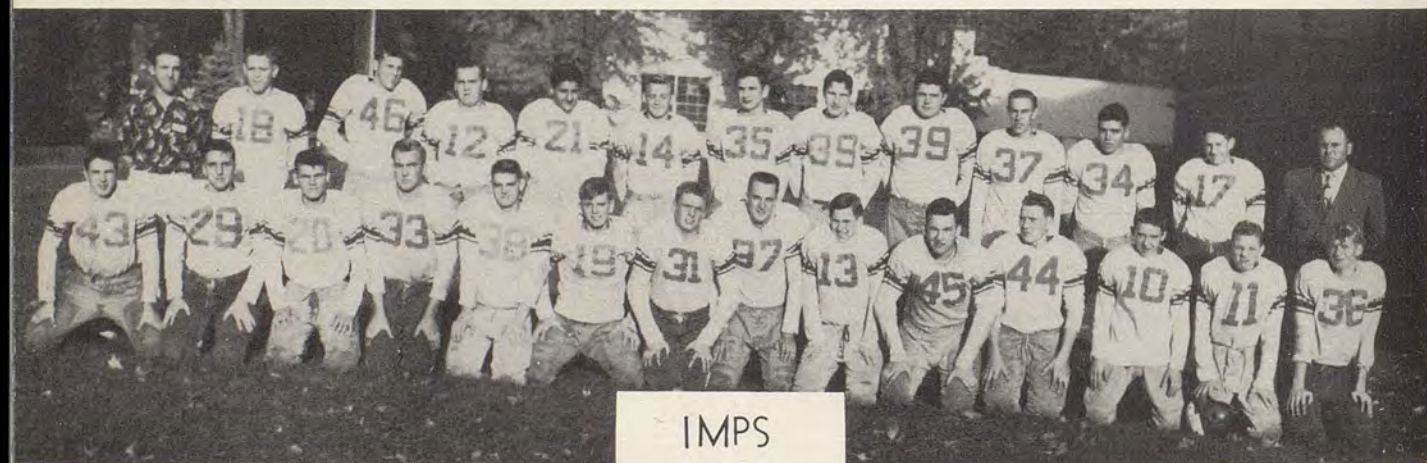

Traditionally, the Wa-Hi Blue Devils started the season against the Pasco Bulldogs at the latter's home gridiron. The Devils romped at will over Pasco with Cox, Gwinn, Young, McAllister, Johnson, and Decker scoring. The final score was 46-0.

In the second shut out victory for the Blue Devils, Wenatchee fell before the Blue Boys 26-0. Eddy Gwinn, fullback, scored twice, Bobby Spearman sprinted over the diagonals and Don Hartwig snagged a Cox Special for the last tally.

North Central traveled to Walla Walla only to be beaten by the powerful Blue Devils, 18-6. This game was one of the hardest according to many of the players. Another long pass to Don Hartwig scored six points and Gwinn and Derby pounded over for the second and third tallies. Chuck Stone stood out as the star defensive line-backer.

Walla Walla traveled to Sunnyside to settle an argument between themselves and the Grizzlies. The Sunnyside eleven fell to the stronger, faster Devils, 24-0. Dean Derby, Junior left halfback, scored twice. Eddy Gwinn, old standby, racked up a big six and Don Hartwig scored also.

The closest game of the year, from a scoring standpoint, came from a strong and determined Richland team. The final score of the game read 19-14 in favor of Walla Walla. Spearman and Derby tucked in long Cox passes and Gwinn plunged through the line to score.

Another close game that could have been won by either team was between Walla Walla and Gonzaga of Spokane.

The Gonzaga team was very underrated and though they were small, they were fast and deceptive. The muddy field hindered the Devils. The score stood at 12-6 with Wa-Hi getting the nod. Dean Derby and Eddy Gwinn scored the touchdowns. Cox played a good game as did Bobby Spearman.

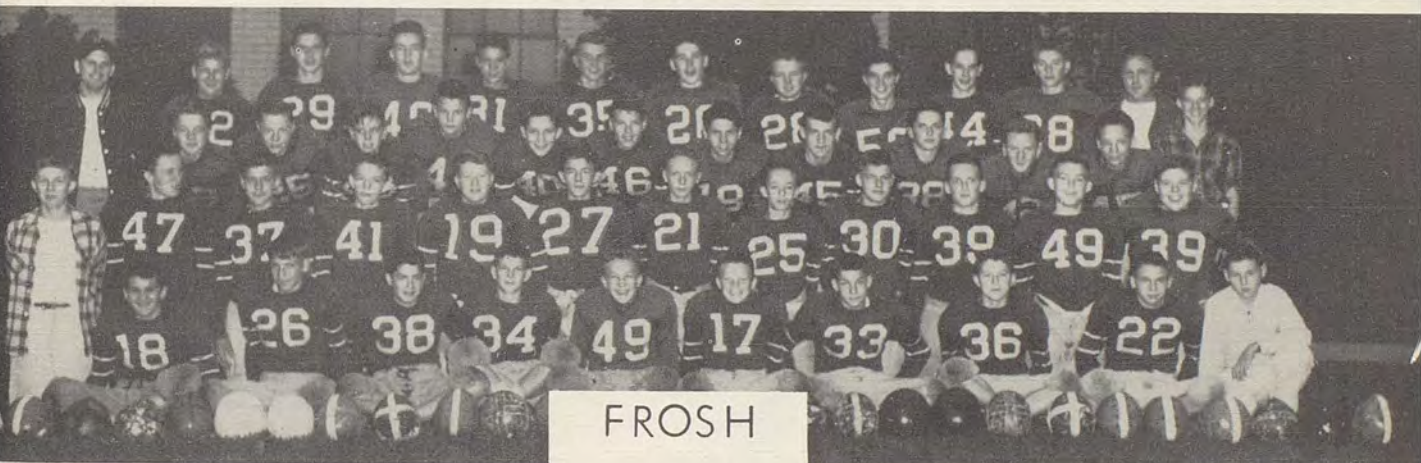

Walla Walla defeated the Lewis and Clark Tigers 23-13 in a Borleske Field thriller. Bob Cox, star quarterback threw three touchdown passes; two went into the wide spread arms of left end Don Hartwig and Dean Derby, left half, gathered in another.

The Little Brown Jug, an old tradition between Walla Walla and the Yakima Pirates was regained by the Blue Devils as they defeated Yakima 37-0. This was Wa-Hi's annual homecoming game in which Bobby Spearman played one of his best games of the year.

Walla Walla won the Columbia Basin League Championship by defeating the John Rogers Pirates 36-0. Eddy Gwinn was the star standout as he scored three times on long end runs and smashed through the center of the line. Sophomore quarterback David Casper scored his first TD of the year.

During the season the Devils scored 237 points while holding opponents to a diminutive 39. Wa-Hi averaged 26 points per game as the other schools scored an average of 4. Wa-Hi blanked five teams.

In the associated press poll Wa-Hi lost by one point to Ballard of Seattle as the state champion. Wa-Hi has proclaimed themselves state champions for 1951.

Coach Boots Wooten shifted into high gear early in the 1951-52 basketball season with seven returning lettermen. All State center Harlow Tucker headed the vets and also captained the team. Other Blue Devil letter winners who returned to the maples were Jack McAllister, Denny Michaelson, Jim Oury, Bob Spearman, Mert McGrew, Del Klicker, and Bob Cox. Dave Klicker, Dean Derby, and Don Hartwig, Juniors, made valuable substitutes.

At the start of the season the starting lineup usually was Cox and Klicker at guards, McAllister and Spearman at forwards and Harlow Tucker at center. Later, big 6' 5" center Denny Michaelson was shifted into the center or forwards positions alternating with Bob Spearman.

The Devils took nine straight games from tough opposition in this vicinity.

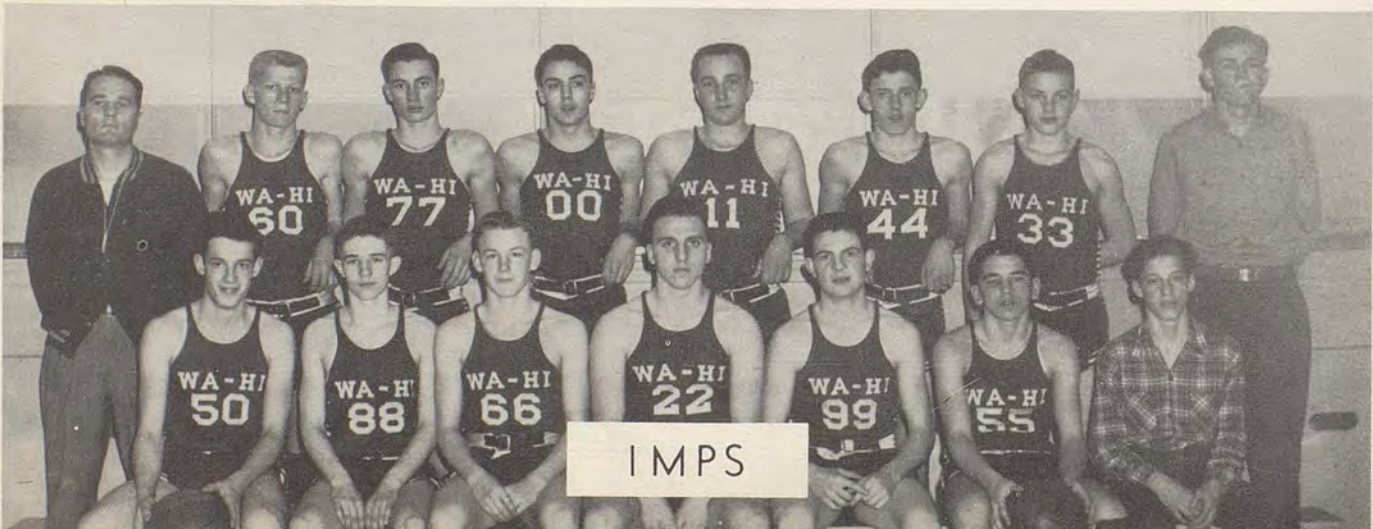

Wa-Hi copped the annual Jamboree and also beat Wenatchee, Yakima, John Rogers, Lewis and Clark, Pasco, and Pullman before being edged out at Central Valley 51-47. However the Demons soon regained their stride and went on to defeat Richland and Clarkston and return matches with Pasco and Pullman. The biggest victory of the regular season came when the Couababes of Washington State College traveled to Wa-Hi to be clubbed to the tune of 38-33, although Wa-Hi played without Harlow Tucker who injured his elbow in the return match with Clarkston.

Early in January the Blue Devils were at the top of the Associated Press Poll 60 points ahead of the nearest rival, Lewis and Clark. At that time a strong Port Angeles team was in third place. By the first of February the Port Angeles team had trimmed the Wa-Hi lead and merged ahead by some 18 points. However this poll was taken before the thrilling W.S.C. game.

During the second game with Wenatchee the Blue Boys, who now had Tucker back, ran up an impressive 70 points against 37 scored by the Red Apple Team.

The next foe to fall to Wa-Hi was Clarkston. The Bantams put up a strong bid for victory, but in the third quarter Wa-Hi, led by Bob Spearman, pulled the game out of the fire by the score of 54-40.

The next night the Blue Devils played at Lewiston and continued their winning ways by swamping the Bengals to the tune of 59-39. Del Klicker led the scorers for the night with 21 points.

Wa-Hi got revenge in their last game of the season by beating the Central Valley Bears. They had to play without Harlow Tucker in this game and the play was close all the way, but never gave up the lead after the first few minutes.

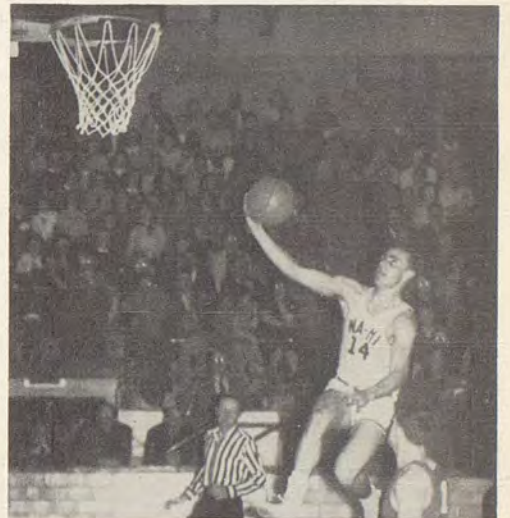

### Sub-District Tournament at Walla Walla

Wa-Hi won their first tournament game by taking Clarkston 65-44. Clarkston led all through the first quarter, but the ball hawking of Klicker and the combined shooting of the rest of the team brought the Wootenmen from behind and led the way to victory.

The following night the Blue Devils won the Sub-District championship by beating Central Valley 62-35. Wa-Hi played steady ball most of the game until the fourth quarter when they doubled the score.

### District Tournament at Wenatchee

By beating Omak 53-30 and Clarkston 79-32, in which Harlow Tucker, team Captain, was high point man with 24 points, the Devils won the District Championship. They will go to Seattle March 13, 14, and 15 to compete in the State Tournament.

# Wa-Hi's Ski Bunnies

The Wa-Hi skiers started skiing in November and the annual Ski Carnival in April ended the season. The ski area is at Spout Springs, Oregon which is forty miles from Walla Walla. Many enjoyable days were spent by the students skiing and they are looking forward to next winter when they can ski once again.

The Wa-Hi Ski Team had ski meets at Leavenworth, Wenatchee, Rossland, B. C. and Walla Walla. Wa-Hi won the meet held at Spout Springs, placed second at Wenatchee, fourth at Leavenworth, and fourth at Rossland. Jack Haase and Dean Lodmell, Seniors, were the outstanding members of the squad. Jack Haase was high point four way winner for two of these meets. Phil Stoller, Freshman, did very well for his first year on the team.

This team, along with Ronald Demaray and Ruthie McLean skied on the Blue Mountain Ski Team.

Many girls at Wa-Hi participate in extracurricular sports. Intramurals were held for all team and most individual sports, and tennis matches were played with neighboring schools. Student managers were: Betty Ruth Bradley, speedball; Betty Baldwin, volleyball; Marilyn Yenney, basketball; Myrna Porter, table tennis; and Margaret Brennan, badminton. Marion Ulrich was the proud winner of the table tennis tournament. The tumbling team offered entertainment at the half time of several basketball games, besides tumbling for the Odd Fellow's home. Costumed dancers pleased the I.O.O.F. home and the parents and teachers on Parent's Night at Wa-Hi.

The purpose of G.A.A., an organization of girls interested in athletics, is to stimulate more interest and participation in girls' athletics and to promote democratic leadership, good sportsmanship, and good health. Officers are: Beatrice Hill, President; Sally Cole, Vice President; Marilyn Yenney, Secretary; Myrna Porter, Treasurer; and Betty Ruth Bradley, Publicity. Girls in this club have the privilege of earning points toward their letters. During the first semester Margaret Brennan was the only one earning her school letter, but four girls were awarded their state emblem. Some activities that this group planned were two initiation parties, taking their turn to care for the Shuffle Shop, and a basketball playday.

All Freshman and Sophomore girls exhibited their skills to the general public at the annual P.E. demonstration, February 21. Those who watched were proud of them and proud of what the Girls' Sports program is doing for interschool relations, for public relations, and for the girls.

They opened the school year with an assembly and kept pep assemblies going well throughout the sports seasons.

Dale Carlisle was appointed to fill the vacancy left when Wally Burdette moved.

During the football season; the yell squad led three serpentines, as well as organized the Homecoming Parade.

On the whole, school spirit was greatly boosted by the 1951-52 yell squad.

MR. W. A. LACEY, a modest man who has served Walla Walla Schools since 1921, announced his resignation this spring to the sorrow of the Wa-Hi student body. Mr. Lacey was Principal of Wa-Hi for fifteen years and Superintendent of the Public Schools of Walla Walla for fourteen years at the end of which time he retired to administrative assistant for two years. During these thirty-one years he has seen school improvements made, many of which he has suggested or supervised. The campus has added thirteen pieces of property: the gym and agriculture buildings, and numerous shrubs. When he first came to Wa-Hi there were "one and a half" vocal and instrumental teachers. All athletics were coached by one man who also

taught P.E. Guidance and audio visual programs have been developed as well as an extensive extra-curricular activity program.

Milestones have been passed, new marks have been in favor of Walla Walla High School through the interest and intentions of Mr. Lacey. We believe his record partially illustrates the reasons the students don't want him to leave his and their school. Perhaps the other part is that Mr. Lacey benefits any school, any organization, or any person with whom he comes in contact. He is and has been a true friend to Walla Walla.

## Junior Prom

This year's Junior Prom, held April 4, carried out the theme of "Strolling Through the Park" with a blue false ceiling, picket fences, flowers, and a real fountain which greatly added to the beauty of the decorations. During the dance refreshments were served to the choice group attending. At intermission, under a big umbrella The Royalty was crowned by Greg Cowan, Junior Class President.

## Senior Ball

This year the Senior Ball was an exclusive affair with at least one member of the couple being a Senior. Those attending were greeted at the door of "Club 52" by doorman Jack Yeager, who announced them as they arrived. The ceiling was of fringed white crepe paper and the club atmosphere was carried out further by more than a score of round tables around the dance floor. At intermission Wanda Moss, Queen, and her Court of Jackie Wright, Glenna Dunham, and Phyllis Stoneman were crowned by Mr. Klavano and Frank Kimball, Senior Class President.

COURT—Mickey McLean, Glenna Dunham, Wanda Moss, Jackie Wright, Phyllis Stoneman, Mildred Roberge.

The dance was held in the boys' gym on Friday, May 9. Music for the dance was provided by Ray Thompson's orchestra. A false ceiling of red, white and blue crepe paper and cheese cloth made a very attractive scene for the martial affair.

## Federal Inspection

Federal Inspection was held on April 24. It is an annual and general affair to determine R.O.T.C. training and administrative proficiency. Cups and medals were given out and first platoon of Company A and second platoon of Sponsors ranked first in the review. Company A was rated first in the company competition.

The girls' tennis team, coached by Mrs. Houghton, was composed of underclassmen except for Ann Patrick. Players for singles were: Joyce Mitchell, Eve Lintner, Claudia Waggoner, and Lee Horning. Doubles play included: Joyce Mitchell and Eve Lintner, Shari Koehler and Eleanor Whitney, and Ann Patrick and Loretta Smith. The girls played Hermiston, Pendleton, and Pasco. Because of rain a return match with Hermiston was not held. Although they lost all games this year, an exceptional team is expected for next year.

The Wa-Hi boys' tennis team had a successful season under the coaching of Mr. John Anderson. Matches were held against Pendleton, Hermiston, Pasco, and Richland. Victories were scored over Pendleton and Richland, with a match with Hermiston ending in a tie and a lone defeat being scored by the Pasco Bulldogs over the Wa-Hi team. Several matches were cancelled because of weather and other conflicts. The team consisted of Dave Beach, Jack Haase, Ned Lange, Bob McGregor, and Orin Hiebert.

## Basketball

Before the eyes of the majority of Wa-Hi, a large group of Walla Wallans, and Wa-Hi Boosters, our Blue Devils won the State Championship in Basketball by edging out Ellensburg 48 to 43 in the Championship game Saturday evening.

The Devils led 7-2 once in the first quarter, 17-9 after the start of the second but 7 minutes and 44 seconds without a score on the part of the Blue team enabled the Bulldogs to tie the score 17-17 at the half. The Wooten men grabbed the lead again in the third quarter until the last minute with the quarter score being 30-28, Ellensburg. The fourth quarter began with Ellensburg a little more than matching Wa-Hi's baskets. Wa-Hi led 44 to 43 with 1½ minutes to play when Spearman and McAllister scored the final 4 points. Spearman was the spark that kept the Devils aflame throughout the contest. Wednesday, with little trouble, Wa-Hi won 63-42 over Blaine, with the second string playing most of the second half. This was Tucker's game with 19 points, although the whole team looked good and loomed up as the tournament favorite more strongly.

The Devils took Longview 60 to 48 on Thursday, mainly by outrunning the Lumberjacks. Tucker led the scoring with 20 points and McAllister was a close second with 16. Cox also played a fine game.

To a much slower pace the Devils took Yakima, 40-28 in the least outstanding game. Tucker again took scoring honors with 16 points, Cox finished with 10.

## State Champs

This team of 1952 is considered by many to be the outstanding team in the history of Wa-Hi, if not in the history of state high school tournament play. Every man played as well as was possible under the strain and every man on the starting five and others of the second team came through at one time or another to spur his team on.

Tucker, unanimously named to the all-state team for the second year, scored high for tournament play with 73 points. Some have said Tucker was one of the greatest five in tournament history.

McAllister, on the all-state second team, showed polish during the entire tournament. His scoring totaled 41.

Spearman, who would have been named on one of the all-state teams if the balloting had not taken place before the championship, played steadily all through the tournament.

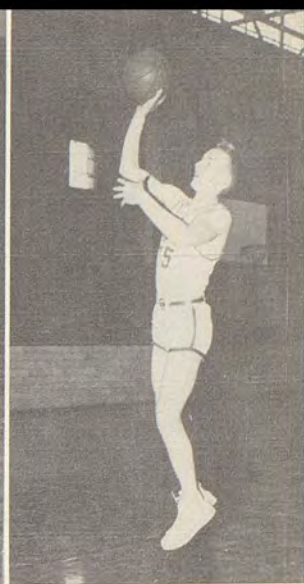

Bob Cox, also chosen for the first team of all-state, shows the traits that make him an outstanding athlete now, with a great future.

Klicker, named on the third all-state team, inspired the team all season, only to be hindered by a cold during tournament play. Nevertheless "Little Del" proved a pest to the opposition and a trigger man on defense.

The team had everything, but two of the most important things were a coach with know-how and a school with spirit behind them. This team and this tournament and this coach and the feeling of school unity are something to remember always.

## Baseball—Our National Game at Wa-Hi

The Wa-Hi Demons gased off to a slow start by dropping seven straight—the 1st going to Richland 10—0, Bob Fouts getting the only hit. In the 2nd game Wa-Hi outhit the Bombers 12—9, McGrew getting 3 of the hits; however, the blue men couldn't push the runs across. Bobby Becker got his only hit of the season in that game.

The Devils then traveled to Yakima to drop 2 more. Jim Oury pitched good ball the first game but lost 2 to 3. In the 2nd game the Pirates opened up with a barrage of 16 hits. Dick Decker, Devil right fielder led the Wa-Hi hitters with 3 hits.

Next the Blue Devils dropped two to Lewiston, 9—0 and 7—5. Klicker, Spearman, Page, and Fouts each got hits in the first game. In the second game the hitters were Spearman, Decker, Lodmell, and Fouts.

The Wa-Hi boys then split a close pair with Clarkston, losing the first one 2—1 and winning the second 7—6 on Dick Decker's double in the 11th inning scoring Spearman. In the first game the leading hitters were McGrew and Spearman while in the second game Klicker, Decker, and Page led the hitters with two hits each.

Wa-Hi then went on to win six more, 2 from Mac-Hi, 2 from Kennewick, and 2 from Richland. Rich Proctor turned in an outstanding performance by pitching a no-hit, no-run game against the strong Richland Club. Sophomore hurler John Hergert limited the Kennewick Lions to one hit and hit a home run to win his own ball game. Wa-Hi then dropped two to Yakima 7—6 and 3—1.

Then Wa-Hi beat Clarkston 5—0. Rich Proctor limited them to one hit. Spearman led the hitters with two hits.

The Blue Devils divided a pair with Lewiston 4—3 and 16—0. Dave Page, speedy center fielder, led the hitters in the first game with two hits. In the second game Dick Decker got the only hit of the game for the Devils.

This was the first year for Coach Cal Boyes who turned in a creditable job. He'll be back next year with the boys remaining after Dick Decker, Dave Page, Bob Spearman, Del Cilk, Mert McGrew, Dean Lodmell, Rich Proctor, Jim Oury, and Del Klicker graduate.

Dick Decker led the hitters with a .324 average with Bob Spearman close behind with a .318 average.

## *Track--Wa-Hi Cindermen Place Fourth in State*

The Wa-Hi track team climaxed a glorious sports year for the Blue and White with a tie for fourth place in the state track meet. Coaches Fletcher and McBride took nine men to the state classic and of these Bob Cox retained his state track title and Dick Turner turned in a near record toss to run away with the javelin championship. Dean Derby placed fourth in the 100 yard dash and the Wa-Hi relay team placed the same to end the Wa-Hi scoring.

The Blue Demons were undefeated in dual meets during the year but battled all year long in group meets with John Rogers Pirates. The Pirates scored victories of less than 3 points over Wa-Hi in both the Yakima and Pullman invitational meets. At both these meets our Dick Turner threw the javelin to make new records.

The Tri-District meet saw practically all the eastern schools sending contingents to Spokane where the first

three places in each event go to the state meet. Wa-Hi's 14 contestants came out with 47 points and a tie with John Rogers for first place. Eight Blue Devils placed in their events and got the trip to Pullman and the state meet. Wa-Hi got 5 first places as Reg Barr and Dick Turner set new district records.

About 1,000 fans saw the Blue Devil tracksters win the biggest home track meet of the year when they scored 57½ points to take the Wa-Hi Relays, Pendleton was second with 36.

In dual meets Wa-Hi took a 76 to 46 victory over Pendleton, and a win over Mac-Hi. In other meets Wa-Hi won the Mac-Hi Carnival of Speed and ran away with a triangular meet at Richland between the Bombers, Wa-Hi and Yakima.
